IDEALLY SUITED FOR

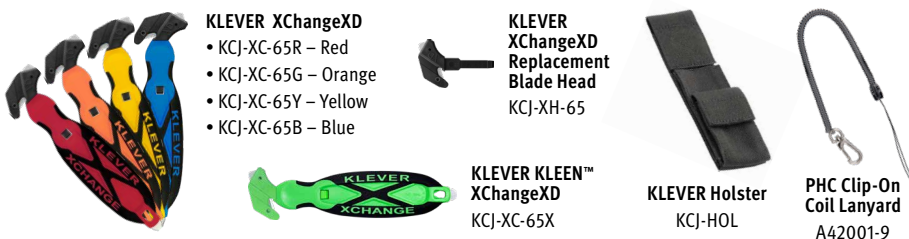

FEATURES AND HIGHLIGHTS

The USA made Klever XChangeXD is an EXTRA DURABLE recessed blade safety cutter featuring a reusable 'soft grip' handle and a robust blade head engineered to be 50% STRONGER and LAST 4X LONGER than similar cutters. The proprietary Smooth-Kut™ technology increases cutting speed by preventing corrugate from clogging the blade. Reduce plastic waste in your operations by reusing the handle and replacing the blade head.

- Thickset XD replaceable blade head offers exceptional durability, engineered to be 50% STRONGER and LAST 4X LONGER than similar cutters. Cuts up to 1 MILE of corrugate before needing to be replaced!
- Proprietary Smooth-Kut™ technology prevents corrugate from clogging in the blade for faster, smoother, and more ergonomic cutting.
- Ergonomic, soft-grip handle helps reduce hand fatigue, repetitive stress injuries.
- Reuse the handle, replace the blade head for a cost-effective and eco-friendly solution.
- Concealed high-quality carbon steel blade reduces cut injuries and damaged goods.
 - Integrated metal tape splitter preserves blade life.
 - Made and rigorously tested in the U.S.A.
