## FEATURES AND HIGHLIGHTS

The USA-made Excel<sup>XD</sup> MD is an EXTRA DURABLE recessed blade safety cutter featuring a metal-detectable handle and a stainless steel blade. The robust blade head is engineered to be 50% STRONGER and LAST 4X LONGER than similar cutters. The proprietary Smooth-Kut<sup>™</sup> technology prevents corrugate from clogging the blade for faster, smoother, and more ergonomic cutting. The safety cutter is disposable, so no loose blades are needed.

- Thickset XD<sup>®</sup> blade head offers exceptional durability — 50% STRONGER and LASTS 4X LONGER than similar cutters. Cuts up to 1 MILE of corrugate before needing to be replaced!
- Proprietary Smooth-Kut<sup>™</sup> technology prevents corrugate from clogging the blade for faster, smoother, and more ergonomic cutting.
- Longer, ergonomic handle offers increased reach and different grip choices.
- Integrated metal tape splitter preserves blade life.
- Concealed blade reduces cut injuries and damaged goods.
- Metal-detectable, infused plastic handle
